_____ I agree to adopt a precinct. This is a precinct that does not have a chair. The County Party will provide me with the information I need. I agree to contact by phone or in person each Democrat voter to find out:

- Does this person need a ride to the polls
- Does this person need a mail in ballot
- Let them know where they vote
- Give other information as needed

Then I will communicate with the BCDP to let them know if they need to follow up with a ride, mail in ballot application or other information.
